Dear Prof. Jiang
I hope this email finds you and your family well.
Long time no speak. Hope to meet you again in the near future.
It seems that our people are moving forward.
However, few points still probably need some refinement.
I would appreciate it if we can have a telco in the coming few days.
Please let me know what time is comfortable for you.
Happy new (barbarians) Year.
Best regards to your Father.
Best
Ehud Barak
